

A WORD FROM OUR MAJOR SPONSORS:

COVPRESS has been trading in Coventry for over 100 years and is one of the oldest manufacturing companies in the city, supplying many major motor manufacturers with production components.

We currently employ around 500 people, locally and have ambitious growth plans which will create further jobs. As part of our commitment to community support we are proud sponsors of Old Coventrians RFC, which gives us the opportunity to support young people and help them achieve their sporting ambitions on the rugby field.

OLD COVENTRIANS
R.F.C.

By undertaking this sponsorship we hope to build a lasting relationship between two of Coventry's oldest establishments.
